## Guidelines

- Carpeting must be rolled and tied in 4' lengths and weigh less than 50 lbs.
- Branches 6" or less in diameter are to be bundled and tied with twine or rope. Bundles are not to exceed 4' in length and 50 lbs.
- Bulk items include appliances, furniture, mattresses (including box springs), and small homeowner generated construction waste.
- Appliances such as refrigerators, freezers, washers, dryers, and dishwashers must have their doors removed before being placed out for collection.
- Dispose of old, junk tires at our transfer station located at 13903 S. Ashland Ave., Riverdale, IL 60827 (fees apply).

\* A max of 1-cubic yard of items total per pick-up.

 **TRI-STATE  
DISPOSAL**
